

**Eurotech Chest Freezer 708L White  
ED-CF708WH**

Manufacturer Warranty: 5 Year

## FEATURES

The Eurotech 688 litre chest freezer is a high-capacity freezer designed for large households.

With its mechanical temperature control, you can easily adjust the temperature to ensure your frozen goods stay at the perfect temperature. The included wire basket makes organising your frozen goods easy.

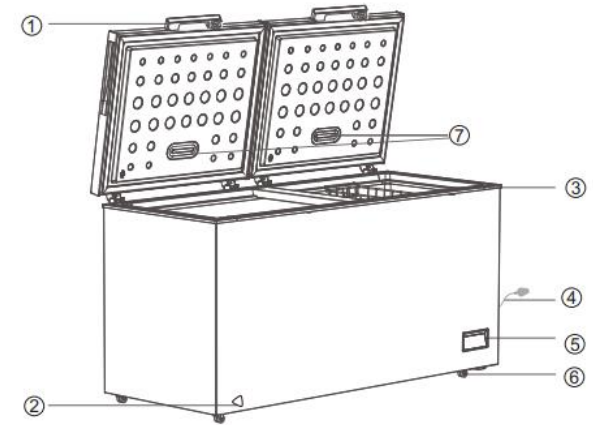

The split door design makes it a versatile choice for most uses.
