

Eurotech 90cm Electric Freestanding Cooker

ED-EUROC90BK

ED-EUROC90SS

Manufacturer Warranty: 5 Year

Description

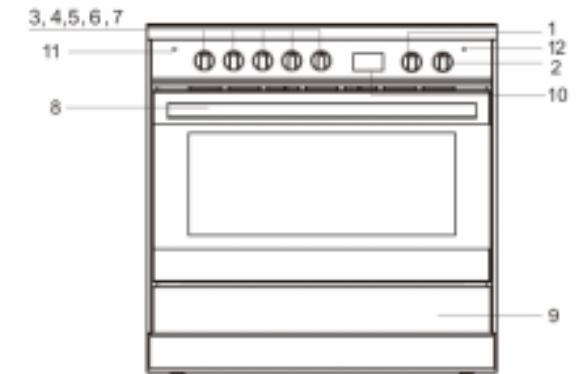

With a huge oven capacity and 90cm size, this Eurotech cooker is excellent for any family kitchen, you'll be safe knowing that you can cook up a storm and have a cooker that can handle it. The versatility of it being all-electric means you can plug it in and go so if you ever move it can come with you. Plus the black finish will give your interior a premium feel.

Features

- With 7 unique cooking functions, you'll have an option to suit your cooking style.
- 5 cooking zones on a tough ceramic glass designed for pots and pans on the go.
- Featuring catalytic liners cleaning your oven will be a breeze with the liners simply absorbing food and grease splatter and burning it away during cooking.
- A large triple-layered glass door allows for a safer environment by keeping it cool to the touch when the oven is used.
- The digital timer will let you set and never forget what you have cooking.
- Storage of your baking supplies is no issue with the cookers lower storage drawer.
